

## DONATION QUALITY STANDARDS

Thank you for donating items to St. Stephen's Human Services

We welcome donations of high-quality items. Most items must be new, except where noted. **Items must meet the following standards:**

- High quality and in excellent working condition
- Electronics and appliances manufactured within the last 10 years
- Clean and freshly laundered, free of stains and pet hair
- No rips, tears, holes, dents, or scratches
- Toiletry items and food must be unopened and unexpired

Staff assess items and may request that you donate items to another agency for any reason or based on current needs. Unsure whether you should donate an item? Ask yourself if you would give the item to a friend.

Donations of toiletry kits or Welcome Home baskets may be helpful depending on our storage space. Please contact Amanda at [ahancer@ststephensmpls.org](mailto:ahancer@ststephensmpls.org) for more information.

*It is extra helpful if you sort, count, and label your donation.*

### **We DO NOT ACCEPT the following items:**

- Clothing
- Used Car Seats
- Camping Chairs
- Tube Televisions
- Hand knit or crocheted items
- Anything with stains, rips, tears or missing parts
- Anything not on our wish list

*Thank you for making sure your donation matches our needs. Any items we receive that are not within these guidelines create extra work for staff.*

Donations are accepted Monday-Friday 8:30am-2pm or by appt
